

OVERTON HIGH SCHOOL CAMBRIDGE PROGRAM UPDATE FALL 2020

NEWS & INFORMATION FOR STUDENTS AND FAMILIES

Spring 2021 Cambridge Exams

Cambridge exams for students in AICE courses are already scheduled for the spring of 2021. Students are required to take exams for all AICE courses in which they are enrolled. Please see the [Cambridge Exam Calendar](#) for scheduled dates. Students and families should not make travel or post-graduation plans without consulting these test dates.

Thinking Ahead to Course Registration for 2021-2022

It seems a long way off, but students and parents should be already be thinking about course options for next school year. Students trying to earn the AICE Diploma and potential college credits want to be sure they are taking the right courses and that they are on the right path. Please see [Course Maps and AICE Diploma Requirements](#) to aid in your planning for next year. Mr. Trotter is always happy to speak with you and help with your course planning.

Spring 2020 Cambridge Exam Results & AICE Diploma Earners

Congratulations to the Overton students who earned credit on 538 AICE exams across eight subject areas in the spring of 2020. Overton's pass rate is higher than the national average, and students have the opportunity to receive college credit for many of these exams.

Special congratulations to the 22 Overton students who earned the internationally recognized Cambridge AICE Diploma this past spring! These students have passed at least seven college-level course exams over the last two years. Way to go!

Cambridge Demonstration Center

Earlier this year Cambridge Assessment International announced that Overton is now an official Cambridge Demonstration Center! This means that we are a model program for Cambridge in the United States and that we will host other schools interested in starting their own Cambridge programs.

Questions?

For more information please contact Doug Trotter at james.trotter@mnps.org. You can also follow us on Twitter @OHSCambridge or online at <http://overtoncambridge.org>.

What is Cambridge?

Cambridge is a challenging advanced academic program of college-prep and college-level courses that is recognized by universities around the world. It is similar to International Baccalaureate (IB) and Advanced Placement (AP) programs. Overton students may take Cambridge courses regardless of their academy pathway.
